The purpose of the American Nurses Foundation (ANF) Nursing Research Grants Program is to encourage the research career development of all nurses. To effectively achieve this goal, the program supports research of beginning and experienced nurse researchers. Applicants must designate themselves as either a “beginning” or “experienced” nurse researcher. In all award categories, the principal investigator must be a licensed registered nurse who has obtained at least one degree, either a baccalaureate degree or higher, in nursing. Beginning researchers: nurse who has no more than three research-based publications in referenced journals and has received, as principal investigator, no more than $15,000 in extramural funding in one particular research area. Experienced researcher: A nurse who has more than three research-based journal/publications, with more than $15,000 as principal investigator, in research funding since their degree. Awards for 2010 range from $3,500 to $28,000.

These fellowships honor the memory of Henry Belin du Pont, a founding trustee and long-time supporter of Hagley. The Henry Belin du Pont Memorial Fund supports access to and use of Hagley’s research collections. These fellowships are intended to support serious scholarly work. They enable scholars to pursue advanced research and study in the library, archival, and artifact collections of the Hagley Museum & Library. Applicants must be from out of state and preference will be given to those whose travel costs to Hagley will be higher. Fellows are expected to participate in seminars which meet periodically, as well as attend noontime colloquia, lectures, and other public programs offered during their tenure. Low cost accommodations may be available on the museum grounds. Stipends are for a minimum of two months and a maximum of six months at no more than $1,600 per month.

Hagley Museum and Library Short-Term Grants-in-Aid

Short-term grants-in-aid support visits to Hagley for scholarly research in the imprint, manuscript, pictorial, and artifact collections. They are designed to assist researchers with travel and living expenses while using the research collections. Scholars receive a stipend, make use of the research holdings, and participate in the programs of the Center for the History of Business, Technology, and Society. These grants are to support serious scholarly work. They are available to both degree candidates and senior scholars and writers working independently as well as college and university teachers, librarians, archivists, museum curators, and scholars from fields other than humanities. Scholars are expected to participate in seminars which meet periodically, as well as attend noontime colloquia, lectures, and other public programs offered during their tenure. Low cost housing may be available on the museum grounds. Stipends are for a minimum of two weeks, maximum of two months at no more than $1,600 per month.

American Psychological Association Scientific Conferences

DUE: | June 1, December 1 | WEB: www.apa.org/about/awards/confer2.aspx | E-MAIL: science@apa.org | PHONE: 202 336-6000 | The Science Directorate of the American Psychological Association (APA) is seeking proposals for research conferences in psychology. The purpose of this program is to promote the exchange of important new contributions and approaches in scientific psychology. The APA is open to innovative ways to hold conferences.
